Survey No.1

Could you please rate, on a scale from 1 to 10, how incredible or surprising the market of 2026 has been for you so far - with 10 being extremely incredible or surprising. Please explain why and which specific segment you refer to?

Survey No.2

When you're raising finance, what matters most to your company nowadays and why?

A. LTV & Margin

B. Lender Profile (relationship and trust in lender, execution, etc.)

C. Flexibility (tenor, profile, covenants, early purchase option, etc.)

D. All of the above

Survey No.3

Is 2027 likely to be an even stronger year for shipowners than 2026? You may specify whether you're referring to a particular market segment or the shipping market.
